Idaho Medical Academy

SELF-PACED EMT

COURSE OVERVIEW

This self paced EMT course is designed for the busy student who would like to set their own days and hours of learning from home. This option is also great for those who have a long commute to our campus.

SKILLS WEEK

20 hour skills week in which students will have time to learn from experienced EMS staff, ask questions, become comfortable with all skills and afterwards be signed off on all hands on course material.

TUITION

$1575 (payment plans available) includes the following:

-IMA certificate
-Ability to contact instructors with questions
-Uniform shirt
-BLS certification
